Annex 1: How do users check if they have set up their 2FA?

2FA Check ✓

To confirm that you have already set up your SingPass 2FA:

Log into your SingPass account at www.singpass.gov.sg

Click "My Account"

Click "Manage 2-Step Verification"

If you have not set up your 2FA, you will see a message prompter that will guide you to set it up.
